Mr. Parambi Lonappen *(Minister for Rural Development)*: I am not able to say whether the Act is defective or not. It will be very difficult to give an answer.

Mr. V. R. Krishnan Ezhuthassan *(Oorakam)*: Do Government consider that this paltry sum of Rs. 13,000 is too small a benefit to be given by this very important enactment?

Mr. Parambi Lonappen *(Minister for Rural Development)*: From the statement of the Hon'ble Member it appears that it is too small an amount. We will investigate and see what we can do in the matter.

Mr. V. R. Krishnan Ezhuthassan *(Oorakam)*: Are the Government aware that there is something wrong somewhere in this matter?

Mr. Parambi Lonappen *(Minister for Rural Development)*: There is something wrong everywhere.

Mr. P. Govinda Menon *(Ernakulam)*: And everything wrong somewhere.

Mr. Parambi Lonappen *(Minister for Rural Development)*: I think 14.

Mr. Parambi Lonappen *(Minister for Rural Development)*: Out-rate purchases basis.

Mr. V. R. Krishnan Ezhuthassan *(Oorakam)*: Have the Government's attention been drawn to the fact that one particular society did not sell a particular variety of implement because the transaction will reduce the price of the implement later on?

Mr. Parambi Lonappen *(Minister for Rural Development)*: There is no such information. If you give the name of the society I will enquire into it and see what it is.

Mr. Parambi Lonappen *(Minister for Rural Development):* If you want to make insinuating remarks I know how to hit back; but it will be very difficult to give such replies from this side.

Mr. P. Kumaran Ezhuthassan *(Vadakkancheri):* I put the question, what is the delay for putting this into execution the suggestion that was given in the Budget session and promised to be favourably considered.

Mr. Parambi Lonappen *(Minister for Rural Development):* Your remarks are very insinuating and there is nothing wrong with the machinery.

Mr. P. Kumaran Ezhuthassan *(Vadakkancheri):* I am sorry that my expression "machinery" has been deliberately misunderstood.

Mr. President: The Hon'ble Member may well confine himself to simpler language.

Mr. P. Kumaran Ezhuthassan *(Vadakkancheri):* Thank You, Sir. What is the work of the Special Officer mentioned in appendix IV given in answer to (a)?

Mr. Parambi Lonappen *(Minister for Rural Development):* Supervising the work of the manufacturing of the machinery and also distribution. He is a trained hand in agriculture.

Mr. P. Kumaran Ezhuthassan *(Vadakkancheri):* When was the system of distributing implements started?

Mr. Parambi Lonappen *(Minister for Rural Development):* I do not know exactly.

Mr. P. Kumaran Ezhuthassan *(Vadakkancheri):* How long is it since the Special Officer has been appointed?

Mr. Parambi Lonappen *(Minister for Rural Development):* About 8 months.

Mr. P. Kumaran Ezhuthassan *(Vadakkancheri):* May I know, Sir, whether this Special Officer has been recommended for distribution of these implements through Panchayats in the areas concerned?

Mr. Parambi Lonappen *(Minister for Rural Development):* I want notice.

Mr. P. Kumaran Ezhuthassan *(Vadakkancheri):* Are the Government aware that a small number of agencies is quite insufficient for the distribution?

Mr. Parambi Lonappen *(Minister for Rural Development):* If it is not sufficient Government will increase the number.

Mr. Puthur Achutha Menon *(Kattur):* Do the Government think that it is sufficient?

Mr. Parambi Lonappen *(Minister for Rural Development):* So far no complaints have been received. If there is need for more there is no harm in multiplying the agencies.

Mr. Puthur Achuta Menon *(Kattur):* Is not the complaint made on the floor of this House a complaint?

Mr. Parambi Lonappen *(Minister for Rural Development):* Certain suggestions are made and they are looked into. I don't think the suggestions made in this House are in the nature of a complaint.

Mr. P. Kumaran Ezhuthassan *(Vadakkancheri):* May I know whether specific recommendation was not made in this House that these implements may be distributed through the Panchayats?

LIBRARY ARCHIVES Kerala Legislative Assembly

Mr. Parambi Lonappen *(Minister for Rural Development):* We are arranging to distribute them through Panchayats.

Mr. P. Kumaran Ezhuthassan *(Vadakkancheri):* Will it be put into action very soon, Sir?

Mr. P. Kumaran Ezhuthassan *(Vadakkancheri):* May I know whether in the event of any Panchayat making a request for implements to be distributed among the neighbouring ryots? Will that be immediately granted?

Mr. President: That is a hypothetical question.

Mr. P. Kumaran Ezhuthassan *(Vadakkancheri):* The request will come to-morrow, Sir.

RESOLUTIONS OF PUBLIC MEETINGS AND BODIES—AFFIXING OF COURT FEE LABEL

91. Mr. P. K. Dewer *(Nominated):* Will Government be pleased to state.—

(*a*) whether they have made any rule to the effect that resolutions of public meetings and public bodies or social organisations when submitted to the Government for imformation and necessary action should bear a court fee label of rupee one;

(*b*) if the answer is in the affirmative, when was this order passed;

(*c*) how many communications farwarding resolutions passed by organisations and public meetings have been returned or rejected by the Government in 1945 and 1944 on the ground for want of court fee labels?

Rama Varmha Tampuran, M.B.E. *(Secretary to Government):*

(*a*) No. Government orders are that resolutions submitted by Associations and other similar bodies will not receive attention, unless they are in the form of petitions or they voice public grievances.

(*b*) & (*c*) Does not arise in view of the answer to (*a*) above.

Mr. P. K. Dewer *(Nominated):* Am I to take it, Sir, that all resolutions that have been rejected for want of court fee labels were not in the form of public grievances?

Rama Varmha Tampuran, M.B.E. *(Secretary to Government):* It is only those that were not in this form would have been rejected.

Mr. P. K. Dewer *(Nominated):* May I know, Sir, whether any resolution has been rejected and sent back for affixing court fee label and then resubmitting?

Rama Varmha Tampuran, M.B.E. *(Secretary to Government):* My view is that in case they do not come under these they will be rejected.

Mr. P. K. Dewer *(Nominated):* I have asked for information about the number of resolutions rejected. That has not been answered.

Rama Varmha Tampuran, M.B.E. *(Secretary to Government):* I think the Hon'ble Member's question has been adequately answered.

Mr. P. K. Dewer *(Nominated):* Several resolutions have been rejected saying that court fee labels must be affixed. I want to know how many such resolutions have been rejected.

Mr. President: The Hon'ble Member might have made his question a little more explicit.

Mr. P. K. Dewer *(Nominated):* May I know whether resolutions passed by a particular organisation will come under public grievance?

Rama Varmha Tampuran, M.B.E. *(Secretary to Government):* Hon'ble Member will state specifically what is the thing that he has in mind so that I may be able to give an answer.

Mr. P. K. Dewer *(Nominated):* The Labour Union has passed a resolution and submitted to the Government saying that some of the workers were being discharged without sufficient

Scheme for the manufacture and distribution of implements to Agriculturists

Government purchase iron and steel required for the manufacture of implements for the agriculturists, under directions from the Deputy Iron and Steel Controller, Madras Circle. On receipt of iron and steel they are handed over to local fabricators in each taluk at lowest tender rates. These implements are manufactured under the immediate supervision of the Agricultural Inspectors who take instructions from the Special Officer for Implements and the Director of Agriculture. Implements suited for each Taluk are manufactured and distributed to the ryots. The implements are sold from the depots under the Agricultural Inspectors and Manager, Central Farm, and also from Co-operative Societies which have agreed to stock and sell them. The Co-operative Societies are allowed a commission of 5 per cent. The selling price is fixed by adding 10 per cent of the cost price to cover conveyance and commission charges.
